Special Rabies Clinics will be held on January 27, 1961, at the Following places:

Pamplin Town Office, 12 noon to 1:00 p. m.

Appomattox Clerk's Office, 1:30 to 2:30 p. m.

These clinics are being held, since so many people have expressed the desire for one more clinic before the licensing period is up.

All who bring dogs to be vaccinated are requested to exercise care as to proper parking of cars and trucks in the vicinity of the clinic since quite a traffic hazzard was created at the last clinic in December.

The game warden will be present at the clinic if anyone wishes to bring any stray dogs in.
